

Ontario Secondary School Literacy Test (OSSLT)

A Handy Guide to Permitted Items

Are you about to complete the OSSLT? Here’s a list of common **permitted** items you could use in addition to the built-in supports and tools of our e-assessment platform.

Now, what should you not use?

The list below includes some of the items and resources that are **not allowed** during the OSSLT.*

- A dictionary or thesaurus
- Instructional resources (e.g., textbooks or notes)
- Translation tools
- Examples of questions

For the extended list of authorized and unauthorized items and resources, please refer to the [User Guide](#) and the [Resources](#) section on our website.

*Please note that some additional resources might be provided by the school.
